

MEALS AT CANBY

2018 Conference

All special dietary needs and desires will be addressed at every meal

SERIOUSLY GOOD FOOD

If you ask around, you will hear firsthand how good the food is at The Grove. They spend a great deal of time planning all the menus, testing and selecting the best food choices, and making items available that promote healthy choices.

They run their own food service. They do not farm out to an outside group. They hire their own chef and kitchen staff.

They get most of their produce from a local market just down the road, not off a food service truck.

Our conference meals will offer something for everyone, including those with dietary restrictions. You will not need to let us know about your special dietary needs. You will be accommodated and nourished.

Breakfast (Sat/Sun): 8:00am; Sat. Lunch: 12 noon; Fri. Dinner: 6:00pm; Sat. Dinner: 7:00pm

We will have about an hour for each meal. Meals are prepared and served family style. With this style of service, they ask that all guests arrive at the dining room at the same time.

At The Grove, they take their guests' nutrition seriously. They provide nutritious and healthy meals for guests and staff to enjoy. Fresh fruit daily, salad options at lunch and dinner, and home-cooked meals are prepared three times daily.

Most meals will be served at the historic Plaza Dining Hall. Our special Saturday-night Celebration Dinner will take place just across the courtyard, in the Big Red Barn!
