Senate Action
Unlimited debate. Amendments do not have to be germane. Discussion ends when no one seeks to be recognized.
could filibuster or return to committee
Filibuster: A Senator or group of Senators deliver speeches and "hold" the floor indefinitely, hoping the prolonged debate will prevent passage of a bill. A filibuster can only be ended if a motion to end it is carried by 60 votes (a super majority).
Third Reading
Debate ends and presiding chair calls for a vote.
Senate Vote
A simple majority is required to pass a bill, but the frequent threat of a filibuster has meant that a super majority is needed more often.
could fail to pass.
A Reconciliation bill is part of the budget process and allows Congress to make changes in law to conform with budget levels set in the budget resolution. It has become an alternative way to pass contentious legislation in the Senate because it only requires a simple majority to pass.
